Dear Mrs. [REDACTED],

Thank you for shopping in our Acton Store and for your comments in your letter.

Roche Bros. has sold tickets to Acton Boxborough Regional High School Drama Productions for several years, as one of the many ways we support the schools in the communities we serve. I wanted to let you know that upon receipt of your letter, we looked into the ABRHS production of "The Laramie Project". I garnered from your letter what your personal feelings are regarding this particular play. I have also learned that we have customers who are supportive of the production. I hope you can understand that our intention is to neither offend nor exclude any of our customers. As purchase of the tickets is optional, we will continue to offer them for sale to any of our customers who wish to buy them.

I appreciate the time you took to write to us, and I value your opinion. You are very important to us, and we look forward to the privilege of serving you for many years to come.

Sincerely,

Ed Roche
President & COO
