On Wednesday March 21, 2012 at approximately 0845 hrs, I Officer Montrond while on foot patrol at the Keith School (175 Forest Ave.) was informed by the school principal Mr. Saint Louis, that there was a strange man on school grounds preventing students from entering the building. Mr. Saint Louis stated that the strange man was interviewing, and recording students. Mr. Saint Louis also stated that he asked the man to leave school grounds but he refused to comply with his request.

I walked outside and observed Mr. Dattilio holding signs "Stop abortion." along with a recording camera filming the students and school officials. I informed the defendant Mr. Dattilio that he was not welcomed on school grounds and that he needed to leave. Mr. Dattilio stated that he would not leave and that he was not breaking the law. I informed Mr. Dattilio several times that if he did not leave school grounds that he would be placed under arrest. Mr. Dattilio failed to comply with my request and continued to record myself and students.

At this time I stated to Mr. Dattilio that he was under arrest, and proceeded to grab his right arm several times in order to place him under arrest. Mr. Dattilio pulled back every time (resisting arrest) I grabbed, guided and escorted Mr. Dattilio to the ground and handcuffed him

Note, in the past I Officer Montrond along with other police officers have encounter Mr. Dattilio at Brockton High School grounds while he interviewed and recorded students. Police Officers have informed Mr. Dattilio that he is to stay away from students and all school properties.
