## Twelve Reasons to Vote No to Same Gender “Marriage”

1. Same gender relationships **already enjoy** considerable rights under civil partnership.
2. It will create a new permanent **inequality**: over time, **thousands** of adopted and surrogate children will be **denied the basic right** to the nurture and love of **both** a mother and father.
3. Those who vote “yes,” will **participate** in this horrible crime against children.
4. **It’s not a human right** according to the European Court and the Universal Declaration.
5. It cannot make unequal things equal: by its very nature, a 100% sterile, **same gender union can never equal**, a virtually 100% fertile, opposite gender marriage.
6. If passed, it would make Ireland, **a world laughing stock**, for our Constitution would then define a 100% sterile union to be a “**natural primary and fundamental unit group of Society!**” (Article 41).
7. **It’s unnatural**: Man was made for woman and vice versa. Read Romans 1:26-27 in the Bible.
8. It will mark **the end of free speech**: even mild criticism of “gay” behaviour will be met with charges of “homophobic hate speech!” “Gays” will become a state protected species!
9. It attracts a severe judgement from Almighty God: Remember Sodom? Read Luke 17:28-29.
10. “Gay” relationships will be taught in all schools, with **no opt outs allowed**. Taoiseach Kenny said so!
11. It’s not real marriage, but an **oxymoron, a charade, a fiction, a sham**. Many will never accept it.
12. Real marriage, as instituted by God, has been the foundation for human existence since time immemorial. No previous generation has dared to mess with it’s definition, not even Sodom!

**Don’t mess with it now. Reject this insanity, vote NO!**
