PFLAG Vision

We, the parents, families, and friends of lesbian, gay, bisexual, and transgendered persons, celebrate diversity and envision a society that embraces everyone, including those of diverse sexual orientations and gender identities. Only with respect, dignity, and equality for all will we reach our full potential as human beings, individually and collectively. PFLAG (Parents, Families, and Friends of Lesbians and Gays) welcomes the participation and support of all who share in, and hope to realize, this vision.

PFLAG Mission

PFLAG promotes the health and well-being of gay, lesbian, bisexual, and transgendered persons, their families and friends through: support, to cope with an adverse society; education, to enlighten an ill-informed public; and advocacy, to end discrimination and secure equal civil rights. PFLAG provides an opportunity for dialogue about sexual orientation and gender identity, and acts to create a society that is healthy and respectful of human diversity.
