

Here are the three line items in contention. We want them to be settled by giving the homosexual lobby the LEAST money possible:

Line Item 7010-0005 [Department of Education]

House version: ". . . the department, in collaboration with the commission on gay and lesbian youth established by section 67 of chapter 3 of the General Laws, shall expend funds for programming..."

*** **Senate version:** the department, in collaboration with the commission on gay and lesbian youth established by section 67 of chapter 3 of the General Laws, may expend funds for programming..."

Line Item 4590-0250 [Department of Public Health]:

*** **House version:** No mention of gay and lesbian commission.

Senate version: ". . . funds shall be expended for the support of the commission on gay, lesbian, bisexual and transgender (GLBT) youth."

Line Item 4513-1130 [Department of Public Health]:

House version: ". . . funds shall be expended . . . statewide suicide and violence prevention outreach to gay and lesbian youth. . ."

*** **Senate version:** No mention of gay and lesbian youth.

[NOTE: "Suicide and violence prevention" is a cynical and dishonest code-word for homosexual programs in the schools.]
