BASIS FOR CLAIM

In 2007 Mass Resistance published information about me on their website. This included criminal investigatory information and private information about me and other private citizens, including graphic sexual information about minors. I sent Mass Resistance two Cease and Desist letters, asking that they remove the content, but they refused. I believe the actions of Mass Resistance constitute stalking because it has caused me serious emotional distress. It also violates the privacy of me and many others.

I have contacted the Massachusetts Attorney General's Office in reference to this harassment. It is notable that Mass Resistance is officially listed as a Hate-Group by the Southern Poverty Law Center, particularly for their targeting individuals based on sexual orientation, a protected class in both Maine and Massachusetts.

The posting was obviously made with malice. The title reads, "*Letter from gay 'adult/youth' group member in Maine reveals homosexual sex with kids as young as 14 at meetings. Also drugs, alcohol, suicide threats, more. An extremely sad and troubling story. The grave danger of gay 'clubs' in your schools.*"

To Whom It May Concern:

My name is Adam Flanders. I am 20 years old and a current resident of Belfast, Maine. I am writing to you on behalf of my own concerns, as well as the concerns of other youth members and past members (who wish to remain anonymous) of the nonprofit organization, *OUT!* ... *As I Want to Be* located in Rockland, Maine. We wish to inform you of the negligence and abuse of *OUT* advisors and adult members. Let me briefly summarize the original purpose of this organization.

OUT was the rebirth of *Outright*, a Gay, Lesbian, Bisexual, Transgender, and Questioning non-profit organization for youth support, affirmation, and advocacy. When *Outright Portland* began demanding monetary compensation for their name (copyright), we were forced to alter ours. In addition, *Rockland Outright* fell into a difficult financial situation after the close of the Coastal AIDS Network (CAN), our primary source of funds. In addition, after several legal disputes, *Portland Outright* closed and has been renewed under the name, "PRYSM". The remaining members of *Rockland Outright* formed *OUT*, a small group consisting of several youth members and a few adult advisors. The policies and ground rules were lazily thrown together as a direct copycat of the former *Portland Outright*.

OUT has since been mismanaged in many ways, but I (we) wish to inform you of the apparent negligence of the adult advisors and board members resulting in the emotional distress, abuse, and harm brought to youth members as young as fourteen years old. We can only speak from personal experience, and since I am the only individual willing to reveal my identity, I will begin with my personal experience of *OUT* and I will then summarize the complaints of those individuals who wish to remain anonymous.

The majority of my time with *OUT* was spent at the (public) Lincoln Street Center (LSC) in Rockland, Maine once a week; every Friday night from 7 to 10 PM. However, the location has now moved to the private home of Ed and Virginia Slawson in Rockland, Maine and is now held 3 times a week. During my time at *OUT* meetings, my boyfriend [JL] and I would oftentimes sneak down to the restrooms in the lower part of the building to have sex, beginning when he was 14 and I was 18 — mostly because his father disapproved of our relationship and these meetings were our only opportunity to do this. We did this on many occasions and several of the other youth were aware of this fact
