Adam Flanders v. Brian Camenker / Mass Resistance

To the Honorable Court:

Please consider the included material as a supplemental filing for the request for injunctive relief. The Plaintiff Adam Flanders filed a defamation lawsuit against the Defendant in a separate matter (it has not been filed with the Court yet as the Plaintiff is awaiting a return of the acknowledgement form) and just today (July 12, 2012) the Defendant has published even more harassing / stalking material about the Plaintiff. The Defendant also published the full contents of the Plaintiff's lawsuit filing. In addition to again targeting the Plaintiff, the Defendant also targets the Court and Belfast Chief of Police Michael McFadden.
