Subject: Final Checklist From Your State Committeewoman

Dear Delegates,

Are you ready?

Do you have any questions about getting to tomorrow's Convention?

Do you have transportation to the Arena?

Do you know the rules about not leaving the Arena?

Do you have any medical or health requirements of which someone should be aware?

Do you have details about the many parties this evening?

I want to be sure each of you have your questions answered and nothing standing in your way of participating in OUR big convention tomorrow!

YOUR VOTE COUNTS!!!

Some have argued that a primary would be good for both candidates. In past years, that may have been true. But not true this year. Here's why.

MassVictory is poised to help all candidates, up and down the ticket, with data, office space, phone banks, staff and volunteer support—all the ingredients needed to win.

This is the FIRST YEAR we have implemented this "coordinated campaign" approach with all these resources—for state rep. candidates right up to the governor.

But ALL THESE RESOURCES can't be put to use in the governor's race if Charlie Baker does not come away with 86% or better of the convention vote because MassVictory cannot offer support to either candidate until AFTER the primary, if there is one.

Let's NOT waste six months of solid campaigning with a top-tier infrastructure. That will happen if you don't vote for Charlie Baker tomorrow.

Charlie has been helping down ticket candidates for months and is committed to lifting all our candidates up for a November victory.

Please vote for Charlie Baker, he has the resources to UNITE OUR PARTY and make the GOP a powerful force for good on Beacon Hill.

I look forward to talking with you more tomorrow!

Fondly,

Lisa

PS: Please be seated in the Brookline, Newton and Wellesley section of the arena—near center stage.
