

# Drag Queen Story Hour at Your Local library?

Just innocent fun, right? ... **WRONG!**

*Stop the Drag Queen Story Hour  
At Your Neighborhood Library!*

**Drag Queen Story Hour** is nothing more than a subtle push of the harmful and immoral LGBT ideas. This agenda is anti-family, anti-life, anti-biology, and it is coming for your children!

**“Drag queens”** – men dressed as flamboyant women – are mostly practicing homosexuals. They also suffer from “gender identity” confusion, but they celebrate this insanity.

Homosexuality, transgenderism, and other paraphilias (sexual deviance) are psychologically harmful as well as physically and emotionally destructive, and especially to children.

The LGBT population suffers disproportionately from sexually transmitted diseases (including HIV/AIDS), psychological distress, and suicide. **Dangerous homosexual practices lead to shortened lifespan. Transgender persons suffer a suicide attempt rate of over 40% in the US, and in Sweden a rate of death by suicide 20 times that of non-transgenders.** Medical “gender transition” surgeries result in sterility, damaged bodies, and dangerous long-term effects from puberty blockers and opposite-sex hormones. **LGBT “identities” should not be promoted to children!**

Drag Queen Story Hour teaches even the littlest children that biological sex means nothing, that sex is just “assigned at birth,” that people can be any gender they want, and that “It’s OK to be gay.” These are all LIES. **This is child abuse.**
