Jack Phillips, the Christian bake shop owner who was punished by the state of Colorado for refusing to bake a cake for a same-sex “marriage”, due to his Biblical convictions regarding marriage as only between a man and a woman, is now being punished again by his home state – this time, for refusing to bake a “gender transition” cake celebrating a transgender woman’s coming out as a “man.” *Will all Christian business owners eventually be forced to compromise their Biblical beliefs, or else be punished by the state?*

***Edmund Burke said it this way:***

***“The only thing necessary for the triumph of evil is for good men to do nothing.”***

Disregarding biological gender in favor of “preferred pronouns” – that is, referring to boys as “she/her”, and to girls as “he/him” if requested to do so - is the trend on our college campuses and even in our public schools. *Will we be forced to comply with this moral and spiritual rebellion and confusion, or face the loss of our jobs and even our families?*

***“THE ONLY THING NECESSARY***

“Drag Queen Story Hour” was recently endorsed by the American Library Association, the same organization that brought the LGBTQ advocacy display into the Temple Public Library’s children’s section one year ago. *Will Drag Queen Story Hour come into your local public library?*

***FOR THE TRIUMPH OF EVIL***

Over 10 states in America have enacted bans or regulations against reparative therapy for young people - that is, the crucial counseling offered to confused and troubled minors wishing to avoid/leave the homosexual lifestyle. *Will our state join those states who are attempting to keep Biblical counselors from reaching young people with God’s message of hope and deliverance from this destructive and immoral lifestyle choice?*

***IS FOR GOOD MEN TO DO***

Parts of Europe and Canada have banned the preaching of those parts of the Bible that speak against homosexuality as sin. This is the trend wherever homosexual ideology is advocated. *Will the United States eventually join in?*

***NOTHING.”***
