The hashtag #cuccisspookyweed explained:

“What could be spookier than spending 4/20 stoned with Cucci Binaca? Binaca, a mischievous ringleader in Seattle’s drag scene, is potty-mouthed, perpetually stoned, and the conservative right’s worst nightmare, which makes her a favorite here at *The Stranger*. In Cucci’s Spooky Weed, she invites drag performers to create numbers that are both spooky and stoned, and it’s a riot (sometimes literally). Get hella high before you go, and be prepared for performers who are more likely to spend their number bleeding onto a canvas than lip-synching to Britney Spears.”
