In male gay culture, a bear is often a larger or obese hairier man who projects an image of rugged masculinity.

A Daddy in gay culture is a slang term meaning an (typically) older man sexually involved in a relationship or wanting sex with a younger male.

Twisted Disney Storytime for children? Twisted sounds about right.

The date on this coincides with the ALA Conference held in Austin this April. Far right is a senior level administrator of Houston Public Library, Kitty Litter to her left and then the Old Quarry Children's Librarian that is seen in pictures with Kitty Litter doing DQSH with him.

Several Austin area residents have called MassResistance or emailed about these disturbing images depicting violence towards a baby.

Is Miss Kitty Litter part of the Coven? He has shared their Facebook page three times in just a few days. The Witch Coven which organized after Donald Trump took office is involved in abortion rallies supporting the legal option to kill innocent babies in the mother's womb. They also protested Donald Trump over the immigrations policy of detaining children at the border...apparently, they were unaware of this happening while Obama was in office.

Miss Kitty Litter was part of this show which mocks Catholic nuns. The nun is depicted with something white coming out of her mouth.

Fetish Demonstrations? This is a flyer shared by Ms Kitty Litter, it is an event put on by Sisters of Perpetual Indulgence.

<https://www.westword.com/news/richard-koca-co-founder-of-standup-for-children-convicted-on-22-counts-of-sex-assault-5858298>

Article that says the leader in this charity that helps homeless lgbtq kids is convicted of 22 counts of sexual assault of a minor.

It appears that Ms. Kitty Litter may be a part of the Sisters of Perpetual Indulgence as he shares photos from their events.

Miss Kitty Litter is acting like the poor victim, not concerned at all about the reality that he is not a good role model for children, unable to reflect on the inappropriateness of inducting children into drag.

Dale Ryder

June 17 at 5:22 PM

The continued alt-right push to end drag storytimes across the country finally landed at the Austin Public Library when an InfoWars representative crashed and filmed an event at the Old Quarry branch on June 5. Local drag queen Miss Kitty Litter ATX, who's been donating her time to the library's story hour in connection with Austin International Drag Foundation for almost a year, was approached by InfoWars as the event was ending. Under the guise of being a "documentary filmmaker" who was "trying to protect the kids," the man asked Kitty if she'd heard about the Houston controversy, then asked library staff if a background check had been performed. As a staffer tried to explain APL policy, the man returned his focus to Kitty, demanding: "What's your official name? Like what is your actual name? If people wanted to do a background check."

On Friday, shortly after viewing the InfoWars video (accessible through InfoWars but located on Periscope's server at www.pscp.tv), David Richardson, Miss Kitty's alter ego, told the Chronicle that he gave the man his name because he was "trying to be polite and nonconfrontational; I was nice to him. But I thought about it later. ... It could've been a very dangerous situation." As of Friday afternoon, hundreds of comments – many of which threaten violence and wield anti-LGBTQ hate speech – have been added to the video post, which includes Richardson's full name. It's these comments that Richardson called "really, really frightening."

Because I believe in putting gratitude before attitude, I want to express my sincere thanks to everyone who has supported me in the past few months. And yes, I will even thank the hate groups, politicians and individuals who engaged in a massive smear campaign against me. If it wasn't for you, I might not have gotten the International platform to talk about what you all are doing in your efforts to attack and malign marginalized individuals. I now have people I would have never otherwise known reaching out and asking how to start their own Storytimes, multiple venue offers and a lot of people who saw what you did for what it was...an open hate campaign. So kudos to you.

I just watched the most recent Cedar Park City Council meeting in it's entirety, and of course one of the subjects was the Drag Queen Storytime. I am near to tears, both by the brave and courageous people who defended it, as well as tears of outrage that the very groups and individuals who have engaged on a two month smear and hate campaign against me which has resulted in me receiving death threats are standing up in public and painting themselves as victims. Mass Resistance Houston, Dorian Chavez, his wife, and others who have openly used their platforms to infer, imply and malign with impunity...they are the victims?. What in the actual hell?. Why should I be surprised?. But my thing is, if you are going to fight, at least fight fair. They can't even do that. Sad. Very sad. Using InfoWars, slander, taking memes and pictures out of context, doxing, and name calling...but hey, those poor people. How they suffer. Ahem, yeah, it's that.

. Kitty Litter is quite the activists. After this post Indivisible Austin began harassing this CM and others who protested the DQSH and who have worked to prevent it from spreading into nearby communities

These next two posts seem to be making reference to children/child sex abuse.

The silence has been kept for long enough. The time for truth is "at hand," and I do not for one moment buy into Mr. Richardson's defense that he suddenly realized that he was Gay. More on this shocking story as it develops.

The comments on this one are disgusting: "I'm an organ grinder".

Associations with the name Kitty Litter according to Urban Dictionary:

Kitty litter

The **deposit** a man leaves in or on a **trick** after **unprotected sex**.

*one: Yo, you see those **kitty litter** stains on that ho's **sandbox**.*

*two: That **ho don't** mind kitty litter, just not in her litter box.*

kitty litter

When a female's **vaginal area** is extremely **arid**, and so much, that the sex partner of the woman has to **urinate** inside of the vagina

***John's mom** and sister had really **bad kitty** litters so i had to **take a piss** in their vagina, but it was totally worth it.*

Kitty Litter

Much like a **sausage fest**, except with women. Its where there are **a bunch** of girls **in one** place, such as a party.

Dude 1: **hey you** go to the party last night?

Dude 2: **No u?**

Dude 1: Yea it was a huge **kitty litter**, should have been there.

litter box

a **litter** box is when a man or **woman poop** on a girls vagina. Considering "box" is slang for a **coochie** and litter is a method of discarding something....in this case....poo.....the term litter box is born.

***I'm a little itchy** from the litter box you gave me last night.*
