This abomination must stop!!! Come out and protest!!!

The BlueClaws will host their FIRST "PRIDE" NIGHT this upcoming Friday night. This abomination celebration will victimize young innocent children. No other FAMILY FRIENDLY towns in Ocean County have such outrages events which are antithetical to our religious sensitivities. Our children are already bombarded in schools/ media/ entertainment with terrible anti-family brainwashing. Gay Pride events at family venues like sporting events, bowling alleys, malls, shopping centers, or even Ocean County College. Do not sexualize kids at public events!! LET'S PROTECT OUR CHILDREN AND FAMILIES!

Additionally, we are a religious yeshiva town. We protect our children from the aforementioned negative influences. Most of the township committee seats are held by Jewish religious representatives - how was this event approved for our community standards?? Why does Lakewood have to host a gay pride event at the Blueclaws on Shabbos night, June 8th? Brick, Toms River, Jackson and Howell have no such events at any of their venues.

Come out to protest:
