RE: HB 113, Provide for youth health protection  
Committee: House Judiciary  
Position: Oppose

Dear House Judiciary Committee Members,

My name is Amanda Curtis and I am the elected President of MFPE. On behalf of MFPE, I urge you to oppose HB 113.

HB 113 is an absurd, mean-spirited, unnecessary bill and everyone on this committee knows it.

Thank you for reading MFPE's opposition and for the work you do for Montana. I am available for further discussion at the phone number and email listed above.

Sincerely,  
Amanda Curtis, President

MFPE (Montana Federation of Public Employees) is a worker democracy representing tens of thousands of Montana public employees working in Headstart; k-12 schools; two- and four-year higher education institutions; city, county, and state government; and law enforcement including city police, county sheriff's deputies, dispatchers, probation and parole, corrections, and highway patrol.
