

**Subject: PRESS RELEASE Vancouver AB v CD 14 year old transgender child**

**TO THE MEDIA**

**C.D., the father fighting in family court to be able to talk publicly about all the aspects of his child's court ordered gender transitioning, will be at the Vancouver Law Courts this coming Tuesday March 16 at 10 am to be criminally arrested for breaching court orders limiting his freedom of speech. The proceedings will be before Mr. Justice Tammen.**

**This criminal charge is separate and apart from the application by the Atty. Gen. in the family file for a finding the father is in criminal contempt of different breaches of the same court orders. The hearing on that application is scheduled to commence Tuesday, April 13 for four days.**

**On March 16 the father will plead not guilty, a further date will be set in that matter for a trial, , and he will seek release on his own recognizance. The Crown may ask for a dollar amount for bail or that he be held in custody.**

**The proceeding on March 16, and the proceeding in April, will be in person, open to the public and media both in person and video hookup.**

**On the evening of 15 March or the morning of the 16th I shall send out to the media the phone number and ID code for appearing virtually at the hearing.**

**I remain available to the media to explain the distinctions and potential consequences between the two very different two-prong proceedings the Crown is taking against my client.**

**Stay healthy,**
