Hi Bonnie,

I wanted to let you know that I have been reading everything that you have sent me. I'm not completely finished yet but almost there. I'm thoroughly impressed with the chart you provided with the list of books and the surrounding schools that either have them or do not have them available in their respective libraries. I thought you're letter to Gazda was great and I'm both appalled and not surprised that he did nothing.

I have read "A Court of Mist and Fury", "Sex is a Funny Word", "Speak", and almost all of "Perfect Chemistry."

I am absolutely disgusted with the first two, and don't agree with "Speak" being in any Middle school nor do I like where "Perfect Chemistry" is going. I'd like to look at "Kiss 8" as well since it is out of all the other schools but ours. I will check our public library for it and some of the others so that I can familiarize myself with them.

I hope this email finds you and yours well and enjoying the long weekend. Talk to you soon.

All the best,
