Del Shelstad  
Colleen Faber

---

Please take notice that by majority action taken by the Board of Campbell County Commissioners during its October 19 regular meeting, in person public comment during its business meetings will no longer be an agenda item and is suspended and will not be received until further notice. The public may still provide comment by all other traditional means such as letters, email and phone calls. If you have questions, you may contact the Office of Commissioners. Thank you for your continued interest and understanding.
