To:

Thomas,

**We need all hands on deck next Tuesday in Downey!**

The Downey City Council will debate whether or not to ban the flying of the Pride flag — and all non-governmental flags — at their next council meeting, and we need members of the public to show up and speak out against this effort.

**When: Tuesday, May 14, 2024 at 6:30 PM**

**Where: Downey City Council Chambers, 11111 Brookshire Ave, Downey, CA 90241**

Since 2021, Downey has joined cities around the state in flying the Pride flag every June to commemorate LGBTQ+ Pride Month. We can't let a vocal group of anti-LGBTQ+ extremists change this policy and send the message that Downey is unwelcoming.

Make your voice heard to elected leaders — don't let them silence your pride!

Thanks,  
-Shay
