

Are YOU tired of the PERVERSION in our Public / School Libraries in WI?

Do you want your child to view pornography at age 9 or younger?

Do you want your child to view pictures of heterosexual or homosexual acts at age 9 or younger?

Do you want your child taught thru a book that they may be a different "biological sex" or "man-made gender" than what the Lord created them to be and everything that goes along with that "label"? Genesis 1:27 " So God created man in his own image, in the image of God created he him; male and female created he them."

If so, then join us in fighting to get this corruption removed from ALL WI libraries!

We have already started pushing back on this perversion at the Hales Corners Public Library. We will not stop until ALL of our libraries are free of this perversion! Will you join us in fighting for YOUR child's "normal wholesome sexual development" in YOUR community?
